

Spring Into Sobriety

Women's Conference 2010

We decided to cancel this year's conference because of the fire damage to the conference hotel (see below *), but ..

The Good News Is:

The Conference Committee is holding a special Open AA Meeting for our entire community of AA's, AlAnon, friends, both **men and women**, so that Our Amazing Saturday Night speaker **Lorna K from NYC** will have a venue to share her experience, strength and hope.

We **really** appreciate your support.

So shout it from the roof tops and help us fill the hall!

Speaker: Lorna K from NYC, NY

When: Saturday 17th April 2010

Where: Christ United Methodist Church, Memorial Hall, 1475 Center Rd, Venice

Time: Fellowship 6pm ... AA meeting Starts 7pm

Directions from I -75: Exit 191 River Rd towards North Port and merge onto W. River Rd., Go 2.3 miles to Center Rd, and church is only 2.4 miles on the right.

***The Decision to Cancel the SIS 2010 Conference and What's Next:**

Unfortunately, the fire at the hotel on February 25th damaged the meeting rooms, kitchen, restaurant and ballroom that we use for the conference. The committee actively pursued other venues, but there were no suitable alternatives. On March 22nd we made the prayerful difficult decision to cancel the SIS conference for 2010 and regroup for 2011.

All the ladies who registered for the SIS 2010 conference will be reimbursed ASAP. At our request, the hotel has cancelled all reservations made this year at the conference rate.
